Weekend Intensive with **KOFI BUSIA**

Saturday & Sunday, May 3 & 4

- Saturday morning: 10:00AM–12:00PM
- Saturday afternoon: 3:00–5:00PM
- Sunday morning: 10:00AM–12:00PM

ATTENDING a full weekend of classes allows students to deepen the effects of the practice and make personal progress. We highly recommend this time with Kofi to do just that!

Kofi Busia is not only an extremely gifted, original and knowledgeable teacher, but is a long-time, serious senior student of B.K.S. Iyengar. Born in Ghana and educated at Oxford, England, Kofi has taught yoga for the past 28 years. He is a Sanskrit scholar and has translated the yoga sutras from their original.

We guarantee that he will challenge you intellectually, as well as physically. His classes are not for extreme beginners, but they provide strength and stamina and will help in building a firm foundation to the practice of serious students, without encouraging dependence. We urge you to attend these classes.
